

Shootist

Date of Birth: 07/25/2018
Registration 1: 281678

Shootist is a splashy young sire by Jamakizm out of the world-famous Jester. This calf was the result of careful planning. He damaged both horns badly before he was even 2 years old. True tip to tip will never be known, but he was EASILY over 85" as 4 year old, with over 70" of real horn left and no less than 15" missing.
